## **REMARKS**

Reexamination of this application is respectfully requested. This revision to the previously submitted amendment is being presented in response to the Notice of Non-Compliant Amendment of July 19, 2005 which stated that the amendment did not include the status or a complete listing of all claims. Applicant has added the requested information, and has resubmitted only the corrected section of the non-compliant amendment as shown above. Therefore, this application is thus believed to be in condition for review and eventual allowance of all claims remaining herein, and such action is respectfully requested.

Respectfully submitted,
